

The Lazy Trout

We welcome you to The Lazy Trout, where we are passionate about fresh food, made from scratch with ingredients chosen based on quality and integrity. (E.g. our pure bred Aberdeen Angus beef, which is purely pasture-fed on Will's dad's farm!) Please ask about any of our ingredients or how we cook them. We hope you enjoy your visit and your feedback, positive or otherwise, is always appreciated. One other little note...We season our chips with Maldon flaked sea salt, but please ask if you prefer your chips un-seasoned!
